

A WARM WELCOME

We know things are difficult for everyone this winter, so the community has come together to create some warm and welcoming places in the village for us to gather while times are tough.

Our pledge to you and your neighbours is that there will be places in our village throughout the week that anyone can go to. These places will always be warm, family friendly, have good company and offer free hot drinks.

We welcome you to use these places freely, come for an hour or stay for the duration. Bring a book, your knitting, some games or just come for a chat.

The venues in the village that have kindly opened their doors are The Eagle, The Bull, Cookley Village Hall and the Farmers Den.

Everyone's welcome - we look forward to seeing you.

If you would like to attend but need a lift or some support, please contact Rachel on 07929 826156 or contact the venue.
